

PAPER-TOWEL-FREE WINDOW PLAN

One window at a time. Use cloths you already own.

BEFORE YOU START

- ☐ Check window and coating instructions
- ☐ Choose shade or a cloudy part of the day
- ☐ Set out two clean lint-free cloths, mild soapy water, and a dry towel

CLEANING ORDER

- 1 Remove loose dust from sill and track
- 2 Wipe frame and sill with a damp cloth
- 3 Wash glass from top to bottom
- 4 Dry edges and corners with a second cloth
- 5 Check from another angle; touch up only remaining marks

WINDOW NOTES

Room / window: _____

Product approved for this glass: _____

Stubborn spot to revisit: _____

KEEP THE CLOTHS READY FOR NEXT TIME

Rinse away residue; wash reusable cloths according to their care labels.
Avoid abrasive pads, metal blades, and unfamiliar mixtures on coated glass.
