

SMALL BATHROOM RESET MAP

Use the space you already have. Give each item a sensible home.

1. SORT ONE SURFACE

☐ Daily use ☐ Backup / elsewhere ☐ Review or dispose safely

Surface to reset: _____

2. MAP THREE ZONES

COUNTER

Only what you use every day; keep the sink edge clear.

CABINET / DRAWER

Group small dry items in clean trays you already own.

UNDER SINK

Check for leaks and safe access before storing anything.

3. CHECK THE EXCEPTIONS

☐ Medicines: follow label; choose a cool, dry, secure location.

☐ Cleaners: keep original labels and containers; protect children and pets.

☐ Damp items: dry towels and fix leaks before storing nearby.

4. MAKE THE RESET EASY

One item to relocate: _____

One reused tray or box to test: _____

Weekly five-minute check: ☐ Return items ☐ Dry surfaces ☐ Review stock
